

## Worksheet 1.2b: Immigration facts

Put these immigration events into the right order in the table:

- A. Civilians from countries like Fiji fight for Britain. Some settle in the UK after the war.
- B. Ethiopians seek safety (as political refugees) in Britain due to conflict with Eritrea.
- C. Groups from the Caribbean are encouraged by the British government to work here.
- D. Refugees arrive in the UK from Afghanistan after thousands of civilians are killed in their country.
- E. Vietnamese people come to Britain to escape the horrors of war in Vietnam.
- F. Irish families arrive in British ports to get away from the potato famine.
- G. Jewish families settle here to escape religious persecution.
- H. After India becomes an independent country, many Indian people become homeless. Some decide to work in cities like Leicester.
- I. The number of Bulgarian and Romanian citizens emigrating to the UK increases (they gain the same rights to work here as other EU citizens).
- J. Somali sailors, who have been working on British coal ships, decide to settle in UK ports.
