

Worksheet 1.5b: Presentation on the benefits and challenges of immigration

1. Work with your group and prepare a presentation to answer the question: *Why is immigration seen as both a benefit and a challenge?*
Be prepared to carry out peer assessment after all the presentations have been given.

Success criteria for presentations:

You must:

- A. include three reasons why immigration is seen as a benefit
- B. include three reasons why immigration is seen as a challenge
- C. give a spoken presentation that lasts at least 90 seconds
- D. explain whether your group agrees with Olive's views
- E. involve everyone in your group during the presentation.

You must not:

- F. use other pupils' names if you're talking about negative situations
- G. use offensive language (for example, racist words).

You could:

- H. use information about immigration from the news
- I. give examples of people in your family who have moved to another country.

2. Assess the presentations of other groups, using the point system below to complete the success criteria table.

Peer assessment point system:

Give every group points for each of the instructions above:

- 0 points = instruction not followed
- 1 point = instruction followed quite well
- 2 points = instruction followed very well
