CATHOLIC COMPREHENSIVE SCHOOL

Our History

St. John Fisher Catholic Comprehensive School has a proud history of educating our local Medway community. Established in 1964, we are the only Catholic secondary school in the local authority and the only secondary school operating across two sites. One of seven secondary modern schools in the area, we are a diverse community, proud to educate Catholic students as well as those of other faiths and none.

Our students often refer to us as their second family, and it is a great place to work as a teacher. Our community of staff is incredibly supportive of each other, and our personalised CPD programme means that everyone's career development is supported in a way that is specific to them. We are passionate about work-life balance, finishing lessons early on a Wednesday afternoon so that CPD and meetings can largely take place during normal school hours, and we provide counselling services free of charge to those who need them. In addition, our feedback policy asks that staff read student books and then get the class to respond collectively in the next lesson in purple pen, rather than requiring that every set of books be deep marked on a frequent basis.

The school has been on a trajectory of improvement since the appointment of the Headteacher, Dymrna Lennon, in September 2016. This was recognised in our 'Good' Ofsted in May 2019, with inspectors commenting that 'standards across the school have improved since the last inspection' and 'Teaching, learning and assessment are strong across subjects.' Our August 2019 GCSE results were our best-ever and our A Level results were the second highest comprehensive school results in the local authority. SJF's sixth form offers a wide range of academic and vocational qualifications, further extended by our collaborations with local grammar schools. It has a comprehensive intake, ranging from students who are re-taking Level 2 qualifications all the way to those who are enrolled in our Oxbridge programme, helping students to reach the top universities.

SJF is the recipient of a multimillion-pound grant from the Department for Education's Priority Schools Building Programme which will be used to build new school facilities for our students so that they have the resources they deserve. We will move into our new school in 2022.

SJF undoubtedly has a proud history, but we are even more excited about the future. We hope that you'll want to be part of it.
