Dear Parent(s) and Carer(s),

Year 10 Virtual Parents' Consultation Evening – Wednesday 10th February 4-7pm

The Year 10 Parents' Consultation Evening will take place on Wednesday 10th February. Due to the Covid-19 pandemic, this will be a virtual event, with parents and carers meeting teachers via an online platform rather than coming into school.

This is an important opportunity to discuss your child's progress and attainment with subject teachers who will be available between 4-7pm.

The online booking allows you to choose your own appointment times with teachers and will provide an e-mail confirmation of your appointment times. Please visit <https://stjohnfisher.school/virtual-parent-evening/> to view instructions about how to book appointments. To login and make appointments, you need to enter the following information:

- Your name and an email contact address
- Student's first name
- Student's surname
- Student's date of birth

You will be able to book appointments up until 3.30pm on the day of the event.

If you do not have access to the technology required for the virtual Consultation Evening, I am happy to telephone you with an update about your child's progress after the event. Should this be the case, please email me on the address below.

Due to recent events, we will not be offering appointments to Mr. Darby's Art and Design Technology classes at this event. Parents and carers will be offered an update about their child's progress in these subject(s) at a later date.

We look forward to seeing you at the Year 10 Virtual Parents' Consultation Evening.

Yours faithfully,

Mr Thompson
Head of Year 9 and 10
