

St John Fisher Catholic Comprehensive School

Governing Body Roles and Responsibilities 2025-2026

The Full Governing Body will meet 4 times a year, and Committees will meet 3 or 4 times per year. A Headteacher Performance Panel will also meet to agree and set targets and appraise performance.

All Governors will be given link roles and will be responsible for undertaking regular monitoring of these areas. It would be an expectation that link governors would ask questions of the Headteacher based on their linked area at each meeting.
