St John Fisher Catholic Comprehensive School
Governing Body Planner 2026-2027

The Full Governing Body and all x3 Committees will each meet 4 times a year. A Headteacher Performance Panel will also meet to agree and set targets and appraise performance.

All Governors will be given link roles and will be responsible for undertaking regular monitoring of these areas. It would be an expectation that link governors would ask questions of the Headteacher based on their linked area at each meeting.

This work plan sets out a timetable for meetings and their content in order that the business of the FGB be carried out efficiently and effectively.
