Dear Parent/Carer,

### Easter Forums

In order to support your child, and in response to student and parent requests, we will once again be running Easter revision sessions.

Revision classes will be run **from Tuesday 3<sup>rd</sup> to Friday 13<sup>th</sup> April 2018**. These revision classes give an opportunity for your son/daughter to take part in a structured programme in a number of subjects that will help them to further focus revision over the holidays. Revision sessions for mathematics will run on **Tuesday 29<sup>th</sup> and Wednesday 20<sup>th</sup> May 2018**.

The attached programme shows the classes that are on offer. Students can remain in school for the whole day; with a 30-minute lunch break for refreshments (packed lunch will be required as the kitchens will not be open). Students should bring food and drinks (not fizzy) for this purpose, as they are NOT permitted to go off site during the revision sessions.

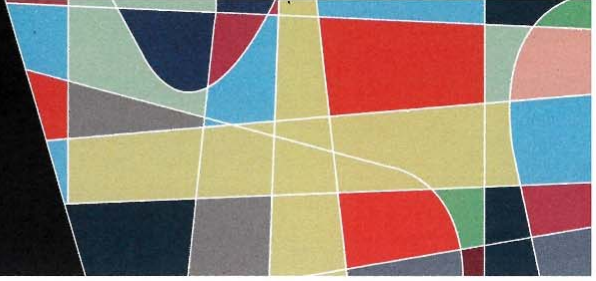

Please complete the permission slip below and highlight the classes your son/daughter wishes to attend on the enclosed sheet. Your child must write their name on the sheet.

**The revision class sheets must be returned to your child's registration tutor by Wednesday 28<sup>th</sup> March 2018.**

We hope to be able to include as many of our Year 11 students as possible in our Easter programme and strongly suggest that all students take the opportunity that is being offered to supplement their own revision.

Yours sincerely,

Miss S. Morris  
Year Group Progress Leader for Year 11
