Friday 5th April

Dear Parent/Carer,

Year 11 and 13 Easter Forum Revision: Updated Timetable

As a result of changes to staff availability during the holidays, this timetable has been revised and reissued to you. Please accept our apologies for any inconvenience.

In order to support students in the last few weeks of their formal exams, we will be running holiday revision sessions during the Easter holidays.

Revision classes will be run from **Monday 8th – Friday 19th April**. These revision classes give an opportunity for your son/daughter to take part in a structured programme that will help them to focus their revision. Students may wear their own clothes, but, as with Tag Days, we ask that they dress sensibly: no shoulders or midriffs exposed.

The programme overleaf shows the classes that are on offer for particular students in Years 11-13. Students should only be onsite for the sessions which they are required to attend. Students are expected to arrive on time and to stay for the whole session. If they have a morning and afternoon session on the same day, they can remain onsite throughout, with a 30-minute lunch break for refreshments. A packed lunch will be required as the kitchens will not be open. Students should bring food and drinks (not fizzy) for this purpose, as they are NOT permitted to go off site during the revision sessions. Students will be expected to enter via the upper site main reception and sign in when they arrive.

I would like to take this opportunity to thank you for your support and to wish students the very best of luck in their final preparations. If you have any further questions, please do not hesitate to contact me at the school.

Yours sincerely,

Ms. V. Walker

Deputy Headteacher
